

NEWBURY PRIMARY SCHOOL

Parent Information 2017

On behalf of the staff at Newbury Primary. I welcome you and your family to our school community. We look forward to creating a strong and purposeful partnership with you and getting to know you and your students.

Newbury Primary School Primary will be a place where all members of the school community feel welcome, safe and appreciated. We endeavour to create an educationally stimulating, safe, secure, calm and nurturing learning environment where student wellbeing and achievement are closely monitored.

Newbury Primary School is a Prep-6 school located at the intersection of Newbury and Grand Boulevard Craigeburn. Newbury Primary School will be a holistic learning community that will provide exceptional teaching and learning experiences. The teaching areas will be divided with quieter small group spaces that complement the connectedness of the classrooms. Flexibility is proposed through the offering of a variety of diverse spaces, including small group, whole group and areas for individual instruction to better cater to the individual needs of students.

The teaching and learning programs will be intellectually challenging, engaging, will foster creativity, reflect 21st century designs and will have a strong focus on literacy and numeracy. The school will provide academic rigour and have high expectations of all members of the school community, both in academic pursuits and social behaviour.

We value respect, integrity, effort and community and use these values to define all work that we do. Wellbeing programs and social skills will be incorporated into everyday practice to reflect the school's holistic approach to learning.

All teaching and support staff will work collaboratively and be committed to having a shared responsibility for the emotional, social and academic development of every student. Strong, quality relationships will provide a safe, secure and stimulating learning environment where opinions are valued and feedback is provided on a regular basis.

Our contemporary buildings consist of 16 general teaching and learning spaces, a Specialist Centre including a library, science and art zone, gymnasium, performing arts/music room as well as two brand new relocatables. Teachers work together to plan and teach an inclusive curriculum and to provide relevant and engaging learning experiences for all students.

The Victorian Curriculum forms the basis for planning design and implementation. Specialist programs offered include Health and Physical Education, The Arts and Science.

The wellbeing of our students and staff is of paramount importance to us. We have access to a high calibre Regional Student Wellbeing Team, including speech therapists, occupational therapists, social workers and counsellors who are able to provide support and guidance for our students, staff and families.

The underlying philosophy of the school is to provide a dynamic learning community where all students are empowered to learn and achieve personal success. Parents/carers, students and staff are strongly encouraged to work together to ensure that our students feel empowered and supported.

On behalf of the staff, I look forward to sharing an enjoyable and exciting time with you as your child progresses, develops and feels a sense of belonging at Newbury Primary School. Further information you may have about the school may be found in the following pages.

Absence Notes

Whenever your child is absent from school, a brief note, phone call or personal contact explaining the absence is required. Absence notes should be provided immediately on return to school. A form will be sent home for unexplained absences.

Access to the school/parking

When entering the school grounds, it is important that students only enter via the entrances and not through the car park. Only authorised cars are to use the school's car park. **Please do not use the staff carpark for pick-up or drop off of students.**

Accidents/illness

Unwell students will be observed in the First Aid Room. Should their condition persist parents will be contacted and asked to make arrangements for their child to be collected.

In cases of minor illness/injury, trained school staff will administer First Aid. In cases of major illness/injury, medical aid will be called and every effort made to contact parents. Of course, if a child is unwell in the morning it is certainly inappropriate to send him/her to school.

Parents are requested to promptly pass on to the school any information related to infectious diseases as this allows us to take appropriate measures. If your child is to be absent for an extended period (for whatever reason), a phone call to the school is required.

Allergies

Students who have allergies should inform the school and obtain information from their medical practitioner about their condition and any medication to be administered. All students who are anaphylactic must have an Anaphylaxis plan filled out by the doctor. Students requiring Epipens must provide the school with an EpiPen to keep in the First Aid Room.

Assemblies

A whole school assembly is held in the school gymnasium every fortnight on a Friday afternoon at 2.30 pm. The assembly is an integral element of our school's life that helps develop, nurture and support a sense of community. All parents and community members are encouraged to attend.

Asthma

If a student suffers from asthma, parents are required to complete a School Asthma Management Form.

This form is updated when changes occur and yearly update forms are sent out at the commencement of each school year. Students may carry their inhaler with them in their bag in case they need to use it during school hours or it can be stored in the classroom.

Attendance

Learning begins at 9:00 a.m. Students should be on site several minutes beforehand and will have access to classrooms at 8:50am. **The grounds are supervised before and after school from 8:45am- 9.00am and 3.10pm- 3.25pm each day.**

It is most important that students attend school every day with the exception being for genuine illness.

Absenteeism is a serious and concerning issue. The wider school community, parents and students need to fully understand the impact of missing many school days.

A key message that needs to be embraced by schools, parents and the wider community is that 'Every Day Counts'. The potential consequences of poor attendance are very real. Students with high rates of absences will be at risk of not achieving their potential and therefore limit their life choices. Other real consequences are:

- Social isolation
- Students may place themselves at risk of harm while absent
- Students could get too easily involved in socially unacceptable and/ or illegal activities
- Will have gaps in their learning of knowledge and basic concepts
- May feel insecure in the school environment
- More likely to leave school early
- Be over-represented in the juvenile justice system
- Be the victims of bullying and harassment

Newbury Primary School has high expectations for attendance. This means that students are required to be in class for every session, every day - unless they have a specific reason for being absent. Students are required to remain in class for the full school day. Parents will be contacted by school staff if attendance is causing concern and invited to support teachers in resolving unexplained and unapproved absences.

Students who arrive late for school must report to the office and pick up a late pass which is then taken to class.

Bikes/scooters

Students are permitted to ride their bikes and scooters to and from school. All students are required to wear a helmet and comply with State Laws for bicycle riding. Bikes must be left at the school bike enclosure. For safety reasons riding of bikes within and around school grounds is not permitted.

Books and requisites

Payment for student's requisites must be made prior to the commencement of the school year in Term 1 to ensure your child has the required materials for learning. All students will receive a book pack containing necessary books and stationery. The book pack will be delivered directly to your child's teacher to distribute and organise.

Chit Chat Friday

On the first Friday of each month at 9:10am, parents/carers are invited to come along to the Staffroom and meet with the Principal Team for a hot drink and informal discussion about things occurring at the school. This is a great opportunity to provide feedback, ask questions and meet other parents.

Curriculum overview

Curriculum – Victorian Curriculum

The Victorian Curriculum is a whole school curriculum framework that sets out what every student should learn during their first eleven years of schooling. The curriculum is the common set of knowledge and skills required by students for life-long learning, social development and active and informed citizenship.

The design of the Victorian Curriculum is set out below:

Learning areas	Capabilities
<p>The Arts</p> <ul style="list-style-type: none"> • Dance • Drama • Media Arts • Music • Visual Arts • Visual Communication Design <p>English</p> <p>Health and Physical Education</p> <p>The Humanities</p> <ul style="list-style-type: none"> • Civics and Citizenship • Economics and Business • Geography • History <p>Languages</p> <p>Mathematics</p> <p>Science</p> <p>Technologies</p> <ul style="list-style-type: none"> • Design and Technologies • Digital Technologies 	<p>Critical and Creative Thinking</p> <p>Ethical</p> <p>Intercultural</p> <p>Personal and Social</p>

Learning about the cross-curriculum priorities of Aboriginal and Torres Strait Islander histories and cultures, Asia and Australia's engagement with Asia and Sustainability is embedded in the learning areas of the Victorian Curriculum.

Early departure

There will be occasions when it is necessary for students to leave school prior to the normal dismissal time. On these occasions students must be collected by a parent/carer or authorised adult. The time of departure, student's name and adult signature must be recorded on the Early Dismissal Register located at the main office. Students will be informed to report to the office with their bags by the office staff.

An **Early Leave Pass** will be prepared by the office staff for the class teacher if a child is being collected by a parent/carer or other authorised adult prior to 3:10p.m. Please notify the office if your child is to be collected by another person.

Emergency information / student records

To help us understand and cater to your child's needs, we ask that you fill in our Family Record Sheet. Please list any medical condition for your child such as asthma, epilepsy, vision or hearing problems or conditions that may create learning difficulties. It is extremely important that we have up to date mobile, home and work telephone numbers where you can be contacted if required. The names, addresses and up to date phone numbers of two people who we can contact in your absence is also required. WE NEED TO BE ADVISED IMMEDIATELY OF ANY CHANGES TO EMERGENCY INFORMATION.

Excursions

Students must have permission to attend excursions and most excursions require a payment for transport and entry to a venue. Teachers will send a permission form to parents with the details, including cost. Payments should be returned in the supplied envelope with the permission form. Payment can be by cash, Eftpos, cheque or card (Visa and MasterCard).

Extreme weather conditions

During extreme weather conditions (hot, windy or wet days) students are supervised inside during the appropriate break times.

Head lice

All parents are required to fill out a form on enrolment for consent / not consent to hair checks. If a student is found to have head lice, a parent/carer will be contacted and the school will send home a generic notice to advise parents in that class, that there has been a case of head lice and their child's hair needs to be checked. Students cannot return to school until treatment has taken place and a note to that effect provided. Parents are required to notify the school if their child has head lice.

Homework

- Teacher's role: To set learning tasks to practices a skill or concept.
- Students' role: To practise reading and set learning tasks. This may also include unfinished tasks.
- Parents'/carers' involvement: To encourage and support your child's learning and education. Setting aside a time for homework is beneficial

Infectious diseases

Parents are requested to promptly notify the school of any information related to infectious diseases so that we may take appropriate measures. If your child is to be absent for an extended period a phone call to the school is required.

Internet and intranet use

All students are given access to the school network using a protected password. Students sign an agreement to protect themselves, others and the network from unauthorised use. Consequences apply for unauthorised use of the school's ICT network. The ICT network has very high levels of filtering of unacceptable material.

Local excursions

All students are required to have a local excursion permission form signed on their enrolment application. This form is part of the enrolment pack and covers all local excursions involving walking.

Lunch and snacks

Students eat their lunches inside their classroom between 1:30 – 1:40 every day. Students are to bring a water bottle and snack for morning break. Students are encouraged to graze all day eating healthy snacks and to bring a water bottle to school each day. When selecting food to send with your child, please consider any anaphylactic allergies in the classroom.

Medication

For students requiring medication during school hours, parents/carers must complete a Medication Authority Form to enable us to administer the medication. No medication is to be kept in the classroom except Asthma medication. Panadol / paracetamol is not provided by the school.

Money collection

Any payment sent to school is to be placed in a clearly named envelope with the class and payment details. All payments are to go directly to the class teacher and not sent to the office.

Office hours

The School office hours are 8:30am- 4.00pm. Payments of accounts (by cash, cheque) are accepted during these times. Payment of school charges should be paid prior to the commencement of school in Term 1; this will coincide with book pack delivery times therefore ensuring your child has the required materials for learning.

Out of School Hours Care

After The Bell conducts the out of school hours care program for students at the school. The program operates Monday to Friday between the hours of 6:30am – 8:45am and 3:10pm-6:00pm.

Permanent (BSC and ASC Only)- A permanent booking is defined as a child booked to attend the service on the same day/s each week or fortnight.

Casual (BSC and ASC Only)-Casual bookings are days that do not fall into a regular weekly pattern.

Cancellation Policy- You must call our Head Office or email enrolment@afterthebell.com.au and provide 7 days' notice for permanent cancellation of permanent bookings.

Families who receive government rebates and have CCR paid to the service, who give less than 7 days' notice for one-off cancellations of permanent bookings and cancellations of casual bookings, but who contact us before 12.30pm the business day prior to the relevant session have their out of pocket costs reimbursed.

Families who do not receive the Government Rebates or have the CCR paid to themselves will be charged the normal rate for any applicable sessions, as rebates cannot be claimed.

Before and After School Care- If there is a change to care arrangements made during the school day, it is the family's responsibility to contact After The Bell Head Office by 2pm, as this enables us to communicate to relevant people.

Billing- All care usage is billed each fortnight for the arrears fortnight of care used. Statements are provided each fortnight Wednesday and then direct debited out of your nominated account the next day on the Thursday for the care used for the previous fortnight.

Please note the school does not process or handle any administration associated with the OSHC program, all enquiries must be made directly to After The Bell.

Parent/Carer Helpers

There are several ways you can become an active participant in the education of your child:

- Helping with classroom programs- reading, preparing materials,
- Attending excursions- extra adults are required to meet the minimum adult/ child ratio in supervising groups
- Assisting with sports - umpiring, coaching, time keep or cheer squad
- Helping in the library- covering books, cataloguing and filing
- Supplying art/ craft materials- egg cartons, cereal boxes, scrap material, wool etc.
- **Please note: Parents/carers and family members who help in the school are required to have a current Working with Children Check.** Further information can be obtained from the school office.

Parent/Carer/Teacher communication

Communication between teachers and parents/carers is a vital part of your child's development and we are always happy to discuss your child's wellbeing and/or academic progress. It is advisable to discuss any concerns or relevant information about your child with your child's teacher.

Should parents/carers have questions relating to their children or classroom, the class teacher is the first point of contact. Please arrange a mutually convenient time to speak to your child's teacher.

Punctuality

To assist and promote qualities including responsibility, good manners and respect and in order for the school to fulfil its responsibility for the safety and welfare of students, the school insists on punctual attendance. Students arriving at school after 9.00am are expected to bring a note explaining why they are late. Continued lateness will followed up by the Assistant Principal.

School Council

The role of the School Council is to serve the interests of students and staff and to promote the school in the wider community.

The Council is a legally constituted body obligated under the Education and Training Reform Act (2006) to fulfil the following responsibilities:

- developing the strategic plan
- approving the annual budget
- setting and reviewing policies
- raising money for things that the school needs
- making sure the school's grounds and buildings are maintained
- entering into contracts for things such as cleaning and hiring of school facilities
- creating interest in the school within the community

The Constituted Membership of the School Council

The Newbury Primary School Primary School (interim name) Council shall be constituted as follows: -

- 3 parents elected by the school community
- 2 staff members elected by the school staff
- 1 Community Member
- The Principal who is a member ex-officio

All parents are eligible for nomination to the School Council, with those elected normally serving a two-year term, being eligible for re-nomination when their term expires.

School Council meets at least eight times each year.

Session times

The school adopts limited use of the school bell. A bell will only be rung to signal the end of each break and dismissal at the end of the day. At Newbury Primary School we are working towards establishing a calm,

nurturing and educationally stimulating learning environment where we encourage students to accept responsibility for time management and self-discipline.

School commencement times are as follows: Students to be in attendance by **9:00am the latest**

8:45-9.00	Teachers supervise the yard from 8:45
8:50	Students can start entering the classrooms.
9:00	Session 1
10:00	Session 2
11:00	Break
11:30	Session 3
12:30	Session 4
1:30	Lunch (eat inside)
1:40	Break
2.10	Session 5
3.10	Dismissal
3.10-3.25	Teachers supervise the yard until 3:25.

Smoke Free environment

The School is a Smoke Free Zone. All Department of Education and Training properties are Smoke Free.

Sun protection

We promote active protection from the sun. All students are required to wear a school hat when outside during Terms 1 and 4. Students without a hat are required to stay under cover so that they have protection from ultra-violet rays.

Traffic

To relieve traffic congestion around the school, it would be appreciated if parents would strictly observe traffic regulations and No Parking signs. Double parking is dangerous. Police and By Laws officers from the City of Hume regularly patrol schools at peak times and penalise offending drivers.

One option is to park a short distance from the school and enjoy the walk with your child. For safety reasons parents and students are not permitted to enter the staff car park at any time.

Uniform

Full school uniform is compulsory. Students are to wear closed shoes, no open toed shoes or sandals will be permitted.

Parents/carers are strongly advised to label articles of clothing and belongings such as lunch boxes, drink bottles, school bags, pencils and balls that are brought to school to make returning the item to the owner, easier.

Yard Supervision

Teachers supervise students during all breaks. Teachers are also on yard duty before school from 8.45am to 9.00 am and after school from 3.10pm till 3.25pm.

PLEASE DO NOT ALLOW YOUR CHILD TO COME TO SCHOOL EARLY OR STAY LATER AT SCHOOL AS THE YARD IS UNSUPERVISED BEYOND THESE TIMES.

If you require supervision beyond these hours please inquire about the After the Bell Out of School Hours Care Program.
