DEFINITIONS

Homework is tasks assigned to students by teachers that are meant to be carried out during non-school hours.

POLICY

Teachers at Newbury Primary School are encouraged to exercise their discretion in assigning tasks that are appropriate for their students and most likely to be meaningful. This may comprise of reading, practice tasks or completing unfinished tasks.

Prep to Year 4

In the Early Years, the objective of homework should be to practise and consolidate the concepts that have been introduced during class time. It is also intended to introduce the concepts of self-discipline and responsibility and prepare them for the upper grades.

Assigned homework tasks will build on concepts explored in the classroom and encourage students to use their initiative by gathering additional information or materials.

Homework will mainly consist of daily reading to, with, or by parents/carers or older siblings.

Students are generally not expected to complete more than 30 minutes of homework per day and no homework tasks will be assigned over the weekends or during the holidays.

Year 5 to Year 6

In the upper year levels, the objective of homework is to build on the concepts of self-discipline, responsibility and initiative to prepare students for secondary school.

Assigned homework tasks will include daily independent reading and may include extension assignments, unfinished class work and research.

Students are generally not expected to spend more than 45 minutes per day on homework and no homework tasks will be assigned over the weekends or during the holidays.
