Weekly Recap

Welcome Parents/Carers,

This term the childrens goals are working towards growing fresh produce from our theircare garden. The children were excited to see how many tomatoes and herbs that have grown over the summer.

We have planned to use the herbs throughout the weekly menu by adding them into our rice paper rolls and salad sandwiches.

The children have created their 'all about me' posters for 2024.

The staff will be implementing the children's ideas and interests into the weekly program and planning.

Throughout week 1 the children created self portrait's, scratch art glasses and drawings of their holidays.

We have enjoyed outdoor play throughout the week and created chalk art and bubble art.

This week we have planned summer themed activities. The activities we have planned include creating fans, yarn threading, watermelon squishies and insect origami.
