

Newbury
Primary School

Monday 14th November 2022

Dear Parent/Carers,

Newbury Primary School is looking forward to another great year of teaching and learning and would like to advise you of Newbury Primary School's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all of your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to create our kitchen garden program, buy sporting equipment, added features to our school grounds and equipment and books to our library.

At Newbury Primary School we will always make every effort to keep the cost and number of items that are needed to be purchased to a minimum. We will also try to ensure that the costs are affordable for all parents.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Michelle Nunn
Principal

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
